

Accessories

Accessories in Almit product range, useful completion to our standard products like solder paste, cored solder wire and dispenser cartridges.

Accessories at Almit

Useful products like needles for small cartridges or flux remover to remove flux residues from the boards after soldering, if cleaning is recommended.

Flux remover

Powerful flux remover for flux residues, suitable for leadfree and leaded solder joints.

Flux-Off Lead-Free: RoHS compliant, ozon-friendly, without leaving residue, flammable.

Flux-Off CZ: RoHS compliant, ozon-friendly, without leaving residue, non-flammable.

Available as 200ml Spray with brushsystem.

Tip activator

Almit Tip activator is a mixture of leadfree solder powder and flux agent. With its special composition it cleans and protects the solder tip in manual soldering as well in robot applications.

Available in 40g Jar.

Needles

Needles from plastic for 5cc, 10cc und 30cc cartridges.

Available with 0.43mm, 0.61mm, 0.86mm, 1.22mm and 1.6mm bore diameter.

Available in packs of 50pcs.

Desoldering Braid

Application-specific sizes allow for precision solder removal in a flash.

Its geometrically precise weave design allows for maximum capillary action and solder capacity.

It significantly reduces rework/repair time and minimizes the risk of heat damage to the board.

Available sizes: 0.8mm, 1.5mm, 2.0mm, 2.8mm, 3.7mm and 5.3mm.

Available in packs of 10 and packs of 25.
