

## EASY BIG CRIMP – Crimping machine

Robust and reliable low cost machine

EASY BIG CRIMP is simple, portable, pneumatic, economical and safe machine for crimping terminals on cable up to 50mm<sup>2</sup>.

The easy interchangeability of the dies allows you to crimp different types of terminals.

(see table overleaf)

The machine is supplied with a pneumatic foot switch.

Force : 2,5 T

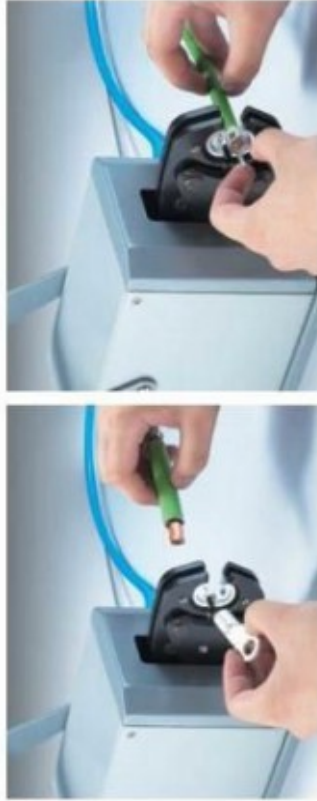

Crimping size : 6 – 50mm<sup>2</sup>

Air pressure : 6 – 10 bars

Dimensions : 275 x 128 x 145 mm

Weight : 6 kg

Die sets
